Below is the 2015 application for Special Parking Permits effective through February 28, 2016. To qualify, applicants **must** meet the following criteria:

- **Designated Special Permit parking spaces are first-come, first-served. PURCHASE OF A SPECIAL PERMIT DOES NOT GUARANTEE A PARKING SPACE.**
- Permit holders are only authorized to park in **designated spaces in parking fields or at designated on-street parking meters,** as indicated on the attached sheet.
- The attached form **must be completed, signed** by the owner/chief administrator of the business applicant, **notarized**, and returned to the Village Clerk at 155 Washington Avenue, Mineola, NY 11501 with the appropriate payment of **$250.00 per permit.**
- The completed attached form must be accompanied with copies of valid vehicle registrations coinciding with each vehicle listed on the application. Any outstanding parking tickets must be resolved.
- Special Parking Permits will only be issued to owners and/or employees of businesses located within the Incorporated Village of Mineola and are only valid while the permit holder is an employee of said business.
- The permit must be attached to the inside of the back window on the driver's side of the vehicle. If not affixed properly, permit can be revoked.
- To transfer the permit to another vehicle, the permit must be returned to the Village Clerk's office with the description of the new vehicle and authorization of the business owner/chief administrator. A $25.00 transfer fee will apply.
- Knowingly providing false information on the enclosed application may result in the revocation of all Special Parking Permits issued to the business.
